The Mission Ministry Team partners with WRA-related organizations to further their missions and ministries through the distribution of mission funds. Mission grants ranging from \$2,000 to \$4,000 will be awarded if one or more of the following criteria are met:

- Provide seed money for emerging mission outreach.
- Fund programs that address critical needs, such as hunger and homelessness.
- Fund programs geared toward self-empowerment of individuals.

Applications are reviewed at each quarterly meeting to determine grant funding for 2017 Mission Partners. Quarterly meetings occur in January, April, July, and October. To ensure that your application is reviewed in a timely manner, it is suggested that you submit it at least one month in advance of the next quarterly meeting.

We look forward to receiving your grant request.
